

The Big One:

The Big One is a bold yet beautiful fashion statement to be admired for its cutting-edge design and superb engineering quality that works comfortably in both large and smaller spaces.

This is a serious, major-league player that will deliver a Knockout heat performance from a single tube through to a majestic line-up of up to five. With a choice of polished aluminium, satin anodised or painted finishes, the Big One will coordinate anywhere, generating as much comment for its awe inspiring looks as it does for its power.

Basic Info:

Material	Manufactured from aluminium
Pressure	FWP (max) 5 bar (test 7.5 bar)
Colour(s)	Polished aluminium & other colours
